Illness at Kids Klub and/or KinderKlub

Children are not able to fully benefit from our program when they are not well. Often times they can be spreading contagious illnesses to other children. We ask that you strictly adhere to these standards so all our children are protected.

- Intending to maintain a qualitative program and protect all our children, no child will be accepted with indications of illness.
- Children who attend our program are expected to be healthy and to participate in all indoor and outdoor activities with their class.
- If a child becomes ill during our programs, parents will be notified or an emergency contact will be called and must pick up immediately. Make sure that there is an emergency contact listed who would be available to pick up within 15 minutes.
- Any statement or sign of illness from your child is taken seriously by all staff.
- Please understand that sick children cannot remain in our programs. We do not have a nurse or nurse's office at our location. To help promote a healthy environment, we recommend setting up a "sick day" alternative for your child, before the school year begins.

Children must be free of symptoms for 24 hours before returning to school.
Please notify your teachers if your child is absent from class due to an illness

Please be considerate of others in your site. With everyone's cooperation we will continue to have an environment that promotes healthy and happy children.

If your child is sick, please keep them home for the day. You must call the appropriate location and let them know that your child will not be in the program that day. You will be charged \$2 (billed to Webstore account) if you do not notify us of an absence.

If your child has a contagious illness such as head lice, strep throat, pink eye, running a fever, or vomiting please report this to the site director, so a notice (in confidentiality) may be sent out to the other children in the program.

Any child, who is caught stealing from other children, staff, or patrons during the Kids Klub/KinderKlub Program, will be suspended immediately from the program. The duration of the suspension will be determined by the Early Childhood & Youth Coordinator & Manager. If a child is caught stealing on a second occasion, he/she will be removed from the program for the duration of the school year. Stealing cannot and will not be tolerated or rationalized.

Codes of Conduct and Kids Klub/KinderKlub Guidelines

Kids Klub/KinderKlub participants are expected to exhibit appropriate behavior. The following guidelines have been developed to make Park District programs safe and enjoyable. Additional rules, policies, and guidelines may be developed as deemed necessary by staff. A firm positive approach will be used regarding discipline. The Mt. Prospect Park District reserves the right to dismiss a participant if their behavior is detrimental to other children or staff. Each situation will be evaluated on its own merit. Please review the following policies with your child.

- Talk in a pleasant manner, no foul language or putdowns.
- RESPECT other children, counselors, and their belongings and the natural environment.
- Refrain from disparaging remarks to include comments against an individual's race, ethnic background, religion, physical appearance, or disabling condition.
- Treat all equipment and supplies with proper care and respect.
- Remain with your group at all times unless directed to do otherwise.
- Refrain from causing bodily harm to oneself, other participants or staff.
- BE SAFE – always follow all classroom rules and bus safety rules.

For minor offenses, children will be verbally warned and may be issued a timeout/cool down period. For repeated problems and those of a more serious nature, the child's parents will be notified and a

Demerit will be issued. All incidents will be documented and kept on file. Depending on the severity of the offense, expulsion without refund may result.

Behavior Management

As with any large group of children, rules of discipline must be reinforced by the staff and PARENTS. We ask that you go over this information with your child so that they are aware of the consequences of their behavior. Below is a list of **some** common **unacceptable behavior** that will not be tolerated in our Kids Klub or KinderKlub Programs and will result in a demerit.

Children will be allowed up to **FIVE DERMITS** for the entire school year.

We believe the children are entitled to a pleasant and safe environment. All must follow the guidelines set for good behavior. We hope these procedures help curb the common forms of misbehavior. This will allow us to work with children that may require special attention. Parents must take an active role in reinforcing our safety and courtesy rules.

Parent Code of Conduct

Parents and guardians are expected to exhibit appropriate behavior at all times while participating in any program, event or activity with the Mt. Prospect Park District. It is recommended that parents discuss with their children the activities that are planned for each day and while their child may wish not to participate in a specific activity, he/she is still expected to make an effort to be a part of the program.
