If we have written information we can share it with the other supervisors to ensure safety. Please respect the staff and comply with this request. Personal Phone Calls

Telephones at all Kids Klub/KinderKlub locations are for **Emergency use ONLY**. Please refrain from calling your child at Kids Klub/KinderKlub or requesting that they call you upon their arrival.

Transportation

I agree to assume risk and legal liability and waive and release all claims for injuries, damages or loss which you or your minor child/ward might sustain as a result of transportation services and vehicle operations, when provided.

Illness at Kids Klub and/or KinderKlub

Children are not able to fully benefit from our program when they are not well. Oftentimes they can be spreading contagious illnesses to other children. We ask that you strictly adhere to these standards so all our children are protected. Please contact Heinrichs at aheinrichs@mppd.org with any illness related absence.

- Intending to maintain a qualitative program and protect all our children, no child will be allowed to participate in programming with indications of illness.
- Children who attend our program are expected to be healthy and to participate in all indoor and outdoor activities with their class.
- If a child becomes ill or is showing any signs of illness during our programs, parents will be notified or an emergency contact will be called and must pick up immediately. Make sure that there is an emergency contact listed who would be available to pick up within 15 minutes.
- Any statement or sign of illness from your child is taken seriously by all staff.
- Please understand that sick children cannot remain in our programs. We do not have a nurse or nurses office at our location. To help promote a healthy environment, we recommend setting up a “sick day” alternative for your child, before the school year begins.

Please be considerate of others at your site. With everyone’s cooperation we will continue to have an environment that promotes healthy and happy children.

If your child is sick, please keep them home. You must notify the KidsKlub staff or Amy Heinrichs and let them know that your child will not be in the program that day. You will be charged \$2 (billed to Webstore account) if you do not notify us of an absence. Schools will not inform Kids Klub staff of absences.

If your child has a contagious illness such as head lice, strep throat, pink eye, running a fever, or vomiting please report this to Amy Heinrichs, so a notice (in confidentiality) may be sent out to the other children in the program.

NO PRO-RATING OR REFUNDS FOR DAYS ABSENT.

COVID Related Information

Please keep all sick children home from programming and report any illness to Amy Heinrichs at aheinrichs@mppd.org

It is expected that your child arrives at Kids Klub or KinderKlub healthy and symptom free. If your child is exhibiting any signs of illness, Kids Klub / KinderKlub staff will contact Authorized Individuals to pick up within 15 minutes.

Please continue to self assess before entering Park District facilities / participating in programs, and do not come if you are not feeling well. Please inform Amy Heinrichs if:

1. A patron/program participant visited our facilities or participated in programming within 48 hours of coming down with COVID-19 or testing positive for COVID-19.
 - a. Please do not come to Kids Klub / KinderKlub if you are waiting on test results
2. A program participant had close contact with someone with COVID-19.
3. A program participant was advised to quarantine by their school or other organization due to exposure to COVID-19.

Groups:

Students will be in mixed groups at RecPlex due to the program only being held at RecPlex instead of the schools. KinderKlub students will only be mixed with the other section of KinderKlub. Our staff to participant ratio is about 1:10 for Kids Klub and 1:7 for KinderKlub.

Cleaning / Sanitation:

All kids and staff are required to wash their hands and/or use hand sanitizer upon arriving /leaving the program and throughout the day as deemed necessary. Please continue to educate your child on the importance of personal hygiene. Highly touched surfaces and objects will be sanitized regularly.

Bathroom / Changing

All children must be toilet trained to participate in our program. If a child has a bathroom accident, a parent will be called to bring a change of clothes and to clean the child before returning to our program. If a parent cannot be reached the emergency contact will be called. A child is required to take care of all their own bathroom needs. The Mt. Prospect Park District does not change participants.

Medical / Disability:

It is the responsibility of the parent or guardian to notify and inform the Park District, at the time of registration, of any medical condition or disability. The Park District does not employ any nurses, doctors or other staff who are licensed, certified, or trained to provide medical diagnoses or care to patrons. We are generally able to assist with the self-administration of medication (reviewing each particular request on a case-by-case basis), but we do not allow staff to diagnose medical situations or perform invasive or complex emergency procedures. **Any medication, including EpiPens and Inhalers, (over the counter or prescription) will need to be kept in the possession of the staff in the site's first aid bag. This will travel everywhere with the child. Proper Permission to Dispense forms must also be completed and will be kept in a zip-lock bag with the camper's medication. Each medication will be reviewed on a case by case basis, prior to the child starting the program.**

ADA and Special Accommodations

The Mt. Prospect Park District has a cooperative agreement with Northwest Special Recreation Association. This team of therapeutic recreation professionals provides inclusion assistance for park

district programs. If you would like to consider additional support for your child, please contact Amy Heinrichs. If the teachers feel support is needed for a child they will have a conversation with the parent/guardian to set up at time for an observation from NWSRA. Please allow at least 2 weeks for all NWSRA Inclusion requests.

Personal Belongings

Please label everything with your child's first and last name. The staff does their best to help the children keep track of their personal belongings, but The Mt. Prospect Park District and its employees are **NOT** responsible for your child's lost or stolen items. Please talk with your child about their responsibility and to keep track of their belongings throughout the day.

No weapons of any kind are to be brought to Kids Klub/KinderKlub.

The Mt. Prospect Park District will not accept responsibility for reimbursing any loss.

Items of value such as cell phones, iPads, trading cards, etc. are a distraction and will not be allowed in our programs. Please do not send your child to Kids Klub/KinderKlub with these items.

If your child has a cell phone, they will need to leave it in their backpack and will not have the ability to use their phone during the program. If you need to contact your child, please contact the Site Director.

Chromebooks for Kids Klub

Participants who receive a Chromebook from his/her school **must** have the "Chromebook Code of Conduct" signed by a legal parent or guardian, prior to use during Kids Klub, and turned into the Site Director. Chromebooks are to be used for educational/homework purposes only. Failure to use the Chromebook correctly will result in Chromebook privileges removed for the remainder of the school year.

Any child, who is caught stealing from other children, staff, or patrons during the Kids Klub/KinderKlub Program, will be suspended immediately from the program. The duration of the suspension will be determined by the Early Childhood Supervisor. If a child is caught stealing on a second occasion, he/she will be removed from the program for the duration of the school year. Stealing cannot and will not be tolerated or rationalized.

Codes of Conduct and Kids Klub/KinderKlub Guidelines

Kids Klub/KinderKlub participants are expected to exhibit appropriate behavior. The following guidelines have been developed to make Park District programs safe and enjoyable. Additional rules, policies, and guidelines may be developed as deemed necessary by staff. A firm positive approach/re-teaching of the corrective behavior will be used regarding discipline. The Mt. Prospect Park District reserves the right to dismiss a participant if their behavior is detrimental to other children or staff. Each situation will be evaluated on its own merit. Please review the following policies with your child.

- Talk in a pleasant manner, no foul language or put downs.
- RESPECT other children, counselors, and their belongings and the natural environment.

- Refrain from disparaging remarks to include comments against an individual's race, ethnic background, religion, physical appearance, or disabling condition.
- Treat all equipment and supplies with proper care and respect.
- Remain with your group at all times unless directed to do otherwise.
- Refrain from causing bodily harm to oneself, other participants or staff.
- BE SAFE – always follow all classroom rules and bus safety rules.

For minor offenses, children will be verbally warned and may be issued a timeout/cool down period. Think Sheets may also be utilized. For repeated problems and those of a more serious nature, the child's parents will be notified and a Conduct Report will be issued. All incidents will be documented and kept on file. Depending on the severity of the offense, expulsion without refund may result.

Behavior Management

As with any large group of children, the staff and parents must reinforce rules of discipline. We ask that you go over this information with your child so that they are aware of the consequences of their behavior. Below is a list of **some** common **unacceptable behavior** that will not be tolerated in our Kids Klub or KinderKlub Programs and will result in a conduct report.

- Bullying
- Swearing
- Leaving the group without permission
- Hitting/Punching/ Kicking (any physical aggression)
- Biting or any other method of physical harm
- Spitting
- Stealing
- Destruction of property
- Derogatory remarks about other participants' appearance or abilities
- Constant antagonizing of other participants
- Disrespect towards a counselor/staff member
- And/or any other action deemed demerit worthy from Mt. Prospect Park District Staff.

Our procedure is to warn a child first and re-teach the corrective behavior. Removal from an activity will fit the behavior ranging from three to ten minutes. Privileges such as games, special activities, etc., can be taken away due to inappropriate behavior.

Children will be allowed up to **FIVE CONDUCT REPORTS** for the entire school year.

Conduct Report 1 and 2 = warnings,

Conduct Report 3 = Parent Meeting to discuss behavior,

Conduct Report 4 = one day suspension from the program,

Conduct Report 5 = immediate program dismissal for the remainder of the school year.

This also includes any participation in Off School Specials, Winter Break and Spring Break Camps.

*If your child receives a Conduct Report you will have to acknowledge it with a signature and return it to the Site Director. Conduct Reports that are not signed by parents/guardians will still count. Staff will make note of the parent communication regarding the behavior and/or refusal to sign. The Park District also has the right to remove a child from the program if necessary, without refund and/or reaching Conduct Report #5.

If the child's action falls under the Mt. Prospect Park District Control Ordinance Violation of Section 26: Disorderly Conduct/Acts of Violence the child can receive a one year suspension subject to prosecution for first offense and a two year suspension subject to prosecution for the second offense. In addition, if the child is charged with the Violation of Section 28: Indecent and Obscene Language, the child can receive a two-month suspension for the first offense, a four-month suspension for the second offense, and a nine-month suspension for the third offense.

The Mt. Prospect Park District reserves the right to dismiss any child from our programs at any time if the inappropriate action/behavior by the child warrants it.

We believe the children are entitled to a pleasant and safe environment. All must follow the guidelines set for good behavior. We hope these procedures help curb the common forms of misbehavior. This will allow us to work with children that may require special attention. Parents must take an active role in reinforcing our safety and courtesy rules.

Leaving or Running Away From Kids Klub/KinderKlub

In the event that a child leaves or runs away from the Kids Klub/KinderKlub site the following steps are taken.

1. Staff encourages the child to return voluntarily.
2. If the child leaves site grounds.
 - a. The police are called to locate the child because the Kids Klub/KinderKlub staff is unable to leave the site grounds.
 - b. The parents are contacted.
 - c. An Incident Report is filled out and a Suspension will be issued

Concerns/Problems

Any troubles or changes your child has at school or at home may affect behavior during the program. Please keep us informed of any unusual circumstances so we can be sensitive to your child's needs. The staff works as a team with the family and the school, to ensure all needs are met. Please communicate any information to the site director regarding your child's behavior. Having this information is crucial for our program's success. Please discuss issues of a sensitive nature in private.

Parents and our Programs

Parents are requested **not** to remain on the program site while the program is in session. One of the objectives of our program is to develop a sense of security in the child while away from home. It is also beneficial for the children to have some time away from their parents and recreational time with their peers.

Parent Code of Conduct

Parents and guardians are expected to exhibit appropriate behavior always while participating in any program, event or activity with the Mt. Prospect Park District. It is recommended that parents discuss with their children the activities that are planned for each day and while their child may wish not to participate in a specific activity, he/she is still expected to make an effort to be a part of the program. The following guidelines are designed to provide safe and enjoyable activities for all participants. Additional rules may be developed for particular programs as deemed necessary by staff.

Parents/Guardians shall:

- Show respect to all participants and staff, and take directions from staff.
- Refrain from using abusive or foul language on Park District property and/or towards staff.
- Refrain from causing bodily harm to self, other participants or staff.
- Show respect to equipment, supplies and facilities, and teach your children to do so as well.
- Follow safe driving practices in our parking lots / on MPPD grounds

***We ask that all general rules of good conduct and courteous behavior be observed.**

The Mt. Prospect Park District, its instructors, supervisors and administrative staff, reserve the right to suspend, expel or deny participation in or viewing of any program, event or facility to any person whose behavior materially interferes, or disrupts the quality of those offerings, the enjoyment of them by other participants, or the ability of staff to conduct or manage the activities or facility.

Parental Responsibility

It is the responsibility of the parent or guardian to notify and inform the Park District, at the time of registration, of any medical condition or disability that may require special consideration by Park District Staff. Our goal is to serve your child in the most effective manner possible. Your confidentiality will be respected.

This information you entered at the time of registration will be given to each site directly.

Tax Information

Parents/Guardians are responsible to retain their receipts for tax purposes. The Mt. Prospect Park District does not provide copies of receipts. All of your payments/receipts can be viewed on the Webstore.

Custody Situations

Both parents will be allowed to pick up their child at any time unless you provide legal documentation such as court orders explaining your custody arrangement. Please bring your most current documents to the office at RecPlex (**not** to your child's location site) and we will copy the sections pertaining to custody. Documents from past school years/summer camps need to be re-submitted.

Driving Safety Policy

Automobile safety is extremely important to Mt. Prospect Park District. We ask that you use caution when pulling away from the area after dropping off your child and picking him/her up. Make sure to park in a parking spot, avoiding the fire lanes. Follow the posted speed limits.

Insurance Information

The Mt. Prospect Park District assumes no liability for injuries or accidents that occur at any program, activity, field trip, park or facility. The Park District does not carry medical or hospitalization insurance for program participants. Such insurance would make program and user fees prohibitive. Your individual health care policy must cover all of your medical needs.

EMERGENCY PROCEDURES IN CASE OF INJURY

If your child is injured, our staff will provide basic first aid for minor injuries and take whatever steps may be necessary to obtain emergency medical care. These steps may include, but not limited to, the following:

1. Attempts to contact a parent or guardian.
2. Attempts to contact an emergency friend or relative listed on the emergency information form.

If we cannot contact you, in case of emergency:

- a) 911 will be called.

- b) The child will be taken to an emergency hospital in the company of a staff member until your arrival.

MEDICAL/EMERGENCY RELEASE FORMS

1. All parents of registered participants must have acknowledged the medical-emergency release form at the end of this handbook. Separate forms are available for any on-site medication.
2. The names of two people, other than parents, must be listed with phone numbers. These people should be authorized to pick up your child whether it is an emergency or not.
3. The staff will not release any child to an adult whose name does not appear on this form.
4. All information will be taken as current unless otherwise noted by a parent. Therefore, if there are any changes in your child's medical information or those authorized to pick up your child, you must notify the staff in writing as soon as possible.
