Swimming!

- Swim Testing

- Schedule

***Note: If your child does not want to swim, there will be minor / alternate activities (one staff rotates out of the water)**

Swim Testing

- Camp Summit & Quest campers must take a swim test if they wish to cross the red line (at 3' 3"). If your child(ren) is in Camp Rise or Elevate, they will not be able to take the test. We will use the "armpit rule" for these age groups.
- Campers will test with the Camp Directors and/or Pool Managers.
- The swim test consists of: Swimming 1 length of the pool, freestyle, with rotary breathing. There are no exceptions to this.
- If your camper has passed in previous summers and/or is on the Swim Team and/or Swim Lessons, they must test again this summer.
- Those who pass the swim test will receive a green wristband. At any time during the summer, a wristband can be removed if the safety of the camper deems necessary.
- Campers can test up to 2 times per summer. Parents may not question the decision of a swim test. If a camper fails, camp staff will do their best to inform you of the reason why they did not pass. Please be patient if you do not hear back from camp staff right away (for example, after care staff would not have access to swim test information that occurred during the daytime hours).

Life Jackets

- On your camper's ePACT portal, you will note if you want your camper to wear a life jacket.
- Please keep in mind that Camp staff and Pool staff have the ability to put campers in a life jacket if they think it would benefit the safety of the camper.
- Life jackets/puddle jumpers will be issued by MPPD.
- If you would like to bring your own you may, please make sure the inside of the jacket states "US COAST GUARD APPROVED." Staff will be checking personal life jackets for this text. Camp staff are not responsible for keeping track of personal life jackets.

Sunscreen

- The Mt. Prospect Park District does not provide sunscreen, nor does the staff directly apply sunscreen to the campers.
- It is your responsibility to apply sunscreen on your child **prior** to camp and to educate your child on how to apply sunscreen. Please provide your child with a name labeled sunscreen bottle/spray **EACH DAY**.
- Sharing sunscreen is not permitted. **Check your child's sunscreen throughout the summer to see if they are running low and replace as needed.** Spray sunscreen as well as a face stick are recommended.
- We do not want campers missing out on activities if they do not have sunscreen!

- Field trips on registered weeks are not optional. There is no separate fee for the field trips, as they are embedded in the weekly registration cost.
- There are no “day switches” if you do not want your camper to attend the trip. There are also no “day additions” (ie - you are registered for MWF, and the field trip falls on a T/TH, you cannot add a single day).
- All campers will receive a Mint Green Summer Camp T-shirt within their first few days of camp (only one per summer will be issued). This shirt **MUST** be worn on field trip days. There are no exceptions. If you forget your shirt, your Webstore account will be charged \$8 for a new one.

Medical / Behavioral Information

Medical

- Please do not send ill campers to camp. We will call home and asked that they are picked up within 15 minutes.
- The Park District does not employ any nurses, doctors or other staff who are licensed, certified, or trained to provide medical diagnoses or care to patrons. We are generally able to assist with the self-administration of medication (reviewing each particular request on a case-by-case basis), but we do not allow staff to diagnose medical situations or perform invasive or complex emergency procedures.
- Any medication, including Epi Pens or Inhalers, (over the counter or prescription) will need to be kept in the possession of the staff in the camp first aid bag. This will travel everywhere with the camper. Proper Permission to Dispense forms must also be completed (and reviewed prior to the camper starting, to ensure it is a reasonable accommodation) on your camper's ePACT account. Please remember to take back your medication at the end of the summer / last camp attendance day.

Behavioral

- **Conduct report System - warning, parent meeting, dismissal**
- Please review **Camper & Parent Code of Conduct** in Handbook

Below is a list of some of the **unacceptable behavior** not to be tolerated at camp and will result in a **CONDUCT REPORT OR DISMISSAL**.

- Bullying / Teasing
- Swearing
- Leaving the group without permission
- Imminent physical harm
- Biting or any other method of physical harm / aggression
- Stealing
- Destruction of property
- Derogatory remarks about other campers' appearance or abilities
